2. The Board submits that though there was no income under water rate for the faslis for which compensation is claimed, the Collector has included the income under water rates for - - Faslis 1352 to 1356 in working out the average net income of the institution, according to the existing instructions. Since the Government have been sanctioning the payment of compensation in similar cases according to the existing provisions under Sec.5(1) of the Rent Reduction Act, the Board supports the Collector's proposal and requests that the Government may be pleased to sanction to Sri Vasaraja Mutt, Sosale, Mysore State the payment of Rs.283-4-6 for each of the faslis 1357 and 1360 or a lump sum of Rs.1133-2-0 for all the four faslis (Fs.1357 to 1360) together as compensation to be made good under Sec.5(1) of the Rent Reduc ion Act in respect of Valavetti village in Tiruvenamalai taluk of North Arcot district, subject to the conditions that the institution should refund to the Government if it is found later on that it has been paid in excess of what is due to it.

Valavetti inam estate - owned by Sri Vyasaraja Mutt
Reduction of income consequent on the introduction c
the R.R.Act - compensation under Sec.5(1) - payment
proposals - submitted.

Sri S.V.B.Row, Honorary Sarvadhikari of Sri Vyasaraja. Mutt to which Valavetti inam village in Tiruvannamalai taluk of this district belongs has applied for compensation under Sec.5(1) of the R.R.Act for loss in income to the Mutt during F.1357 to F.1360 consequent on the reduction ofrent under the Act in the village.

2. Proposals for payment of compensation are enclosed in the form prescribed in Appendix I to B.P.Rt.1146 S.E. dated 28-3-52. It is found that the annual income furnished by the applicant for all the faslis are in correct as also the calculations made by him. Therefore the accounts of the village for F.1352 to F.1360 have been checked in my office by my staff as instructed in B.P.Rt.2410/52-d.1-7-52 and correct figures adopted for working out the average net income and also total amount of loss to be compensated.

3. In working out the average net income for 5 fasli years, a sum of Rs.83-6-0 being the water-rate for the five faslis 1352 to 1357 is included though no income has been derived under water rate for the faslis for which compensation is claimed, as the Board's proposal for amending Sec.5 of Act XXX of 1947 has not been accepted by the Government (vide G.O.Ms.No.3271 dated 12-12-52 sanctioning compensation in respect of Ladapadi under tenure estate in Arni jagir - vide Board's proceedings Rt.25/53 dated 2-1-53. I therefore recommend that the compensation amount of Rs.1133-2-0 payable to the institution for F.1357 to F.1360 as shown in the statement enclosed may be sanctioned after stipulating a condition for the recovery of any amount that may be found to have been paid in excess due to the inclusion of the water cess in working out the average income for five faslis
